

## Small Animal Adoption Profile

Thanks for visiting. Your completed adoption profile will help me find a suitable home for each of my rabbits and the companion most compatible with your lifestyle.

Which rabbit are you interested in? If you have more than one choice, or are wishing to bond a bunny with your own, please list all of the bunnies that you are interested in so that I may be able to assess if they will be the most comfortable companion for you and your bunny.

Please note: filling out this application does not guarantee an adoption of any of our rabbits through our rescue organization. Rabbits are not adopted out on a "first come, first served" basis, but to the best home as well as companion animal for the rabbit. We reserve the right to refuse to adopt to any applicant for any reason.

Our adoption fees are on a sliding scale of \$65+. The adoption fees are not tax-deductible; however, if you would like to sponsor a bunny or donate to our cause, it will be greatly appreciated. All donations go to the care of our bunnies and will relieve the heavy burden of cost off our current fosterers. All donations and sponsorships may be tax-deductible.
